FOR IMMEDIATE RELEASE

## **Morgan-Keller Completes Parkton Fire Station**

**Frederick, MD** - Morgan-Keller, Inc., completed work at the Parkton Fire Station #60 in Baltimore, Maryland. This is the fourth fire station for Morgan-Keller, Inc.

Work began in March 2008 and was completed February 25, 2009. The scope of work included remediation of unsuitable soil for a 10,755 square foot new construction fire station to include three engine bays, six office/dorm rooms, a full functioning kitchen and three bathrooms. Doug Gray, project manager for M-K, states, "There was a definite need for this state-of-the-art facility in Parkton, MD. The area is growing and a permanent facility was needed. We had a good experience with Baltimore County and hope to work with them again in future projects."

Morgan-Keller, Inc. is one of Maryland's largest and most respected commercial builders whose experience includes hospitals, senior living campuses, warehouses, hotels, office buildings, and educational and religious facilities. Morgan-Keller, Inc. has offices in Frederick and Columbia.
